

Parable of the Mustard seed

Mark 4:30-34

Story:

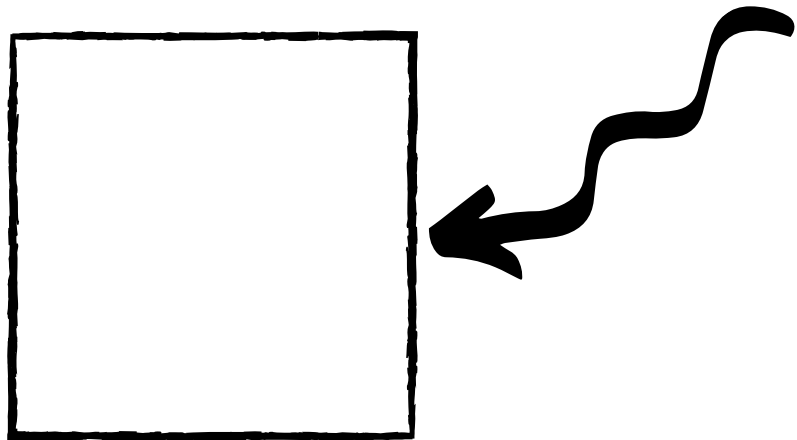

People were asking Jesus what the Kingdom of God looks like. They wanted to know what it is like living in a way that is like the ways of heaven. Jesus replied "It is like a mustard seed. It may start as the smallest of all the seeds but it grows into one of the largest trees if we give it time". He then explained to his disciples that faith as small as this seed can have such a great impact.

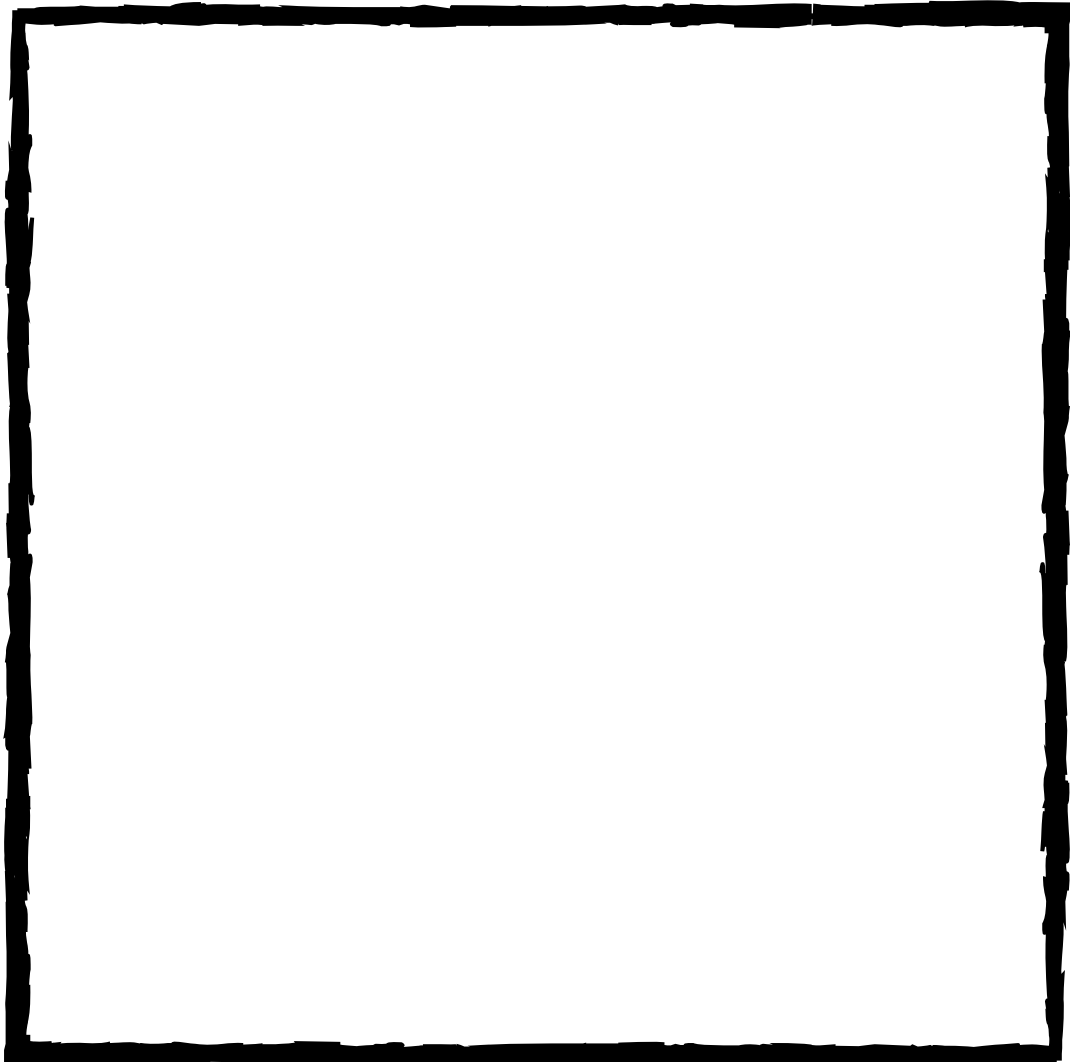

On the next page, make a card for someone to say thank you to them.

A mustard seed is 1-2 mm wide and long! That's only 1 or 2 of the little lines on a ruler. If you have a ruler try to draw how big that seed would be below.

Now look outside for any trees. Look how big they are! They all grew from small seeds. Draw a tree that you can see. (Outside or online)

We Pray...

Almighty God, Thank you that even when we have faith as small as a mustard seed you can use that to have an impact as big as a mighty tree. We pray that we can continue to remember this in our lives. We pray that you will teach us to do small acts of kindness as we know they can have a great impact.

Amen
