

# Jesus Feeds the 5,000

Mark 6:30-44

## Story:

A large crowd gathered around Jesus as they wanted to hear the wonderful words that he had to say. Jesus had compassion on them and asked his disciples if they had anything for the people to eat. The disciples replied saying "That would cost half a year's worth of money to feed all of them, we can't do that!". Then a young boy offered his five loaves and two fishes. Jesus thanked God for the food and began giving it out to the crowd. There were 5,000 men and also women and children that all were given food and everyone had as much as they needed, with some spare.

## **We Pray...**

Heavenly Father, Thank you for feeding us and providing us with food but also Love and the generosity of others. We pray for you to continue helping us everyday and to help us be strong. Thank you that even when we might be hungry we know that your love never runs out and there is always enough love to give out and share

Amen.

Colour in then cut out these loaves and fish. On the back write the name of someone who is generous to you and say **THANK YOU** to them

**They all ate and were satisfied
