

# The Last Supper

Mark 14:12-26

## Story:

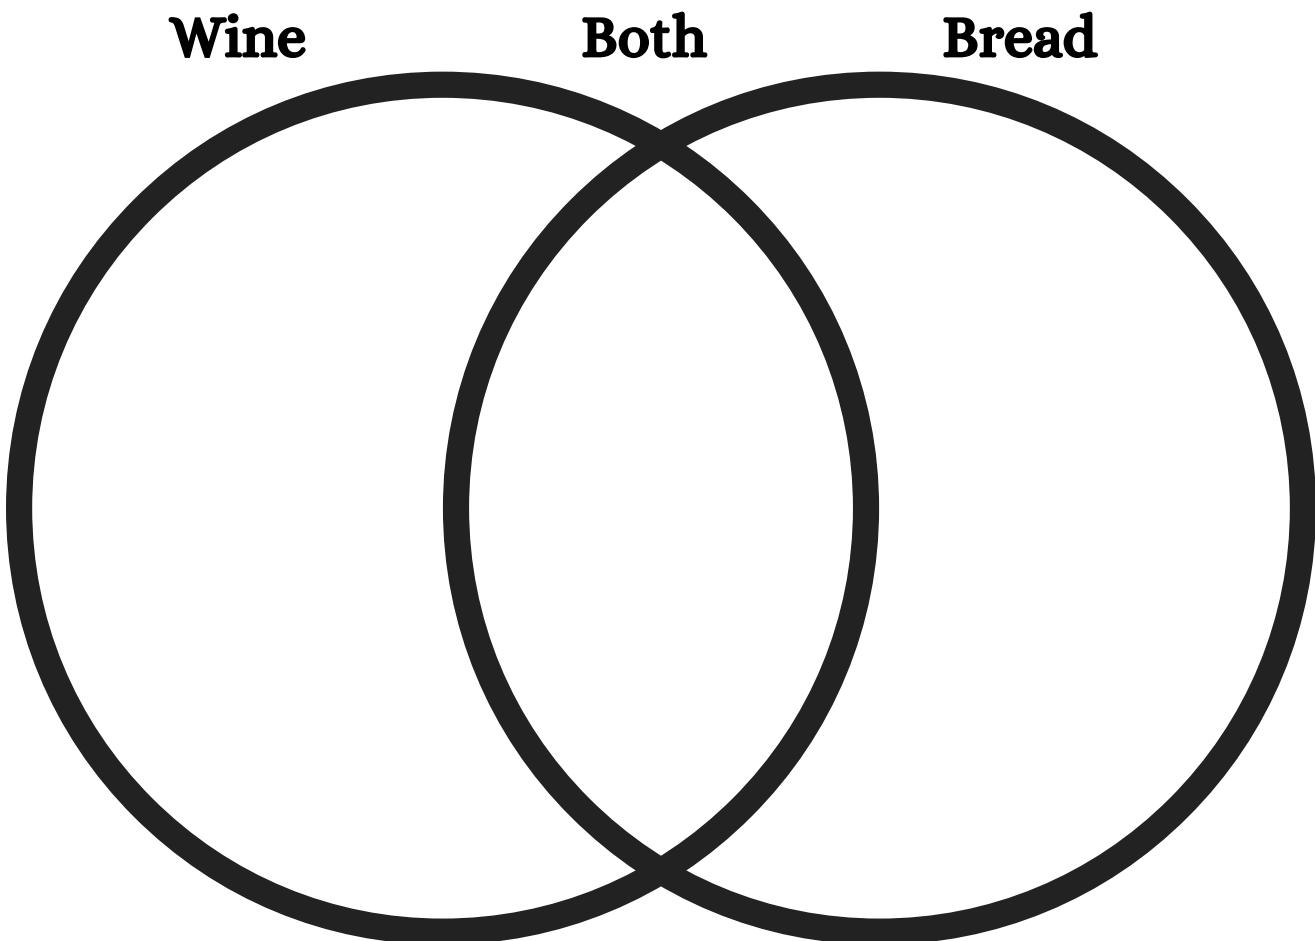

Jesus knew that soon he would be captured and taken to be crucified so he gathered all his disciples and they had one last meal with Jesus. Before they ate Jesus told his disciples that he was going to die and that one of them would betray him (we know now it was Judas). Jesus then took some bread said Thank you to God for it. He then broke it and said "Eat this all of you, this is my body". He then took the cup of wine and again said thank you to God for it and said "Drink this, This is my blood poured out for you" They then ate and drank together. We use the idea of eating Jesus' body and drinking his blood to help us remember that we are thinking of Jesus.

**For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but have eternal life  
(John 3:16)**

Jesus gave us his body and blood so that we could be saved from the selfish things we do or the ways we hurt others. The last supper was a way of telling the disciples and reminding us of this amazing thing that God was doing with Jesus.
